Wholesale_Customer_Ranking

This file is part of paid data package A and is generated weekly, monthly, or quarterly. It is a ranking of all wholesale customers, both private stores and BCCS.

Column A: REPORT_TITLE

Includes both the date and license associated with the generated data.

Column B: CUSTOMERNUM

Your Cannabis Sales Data license number responsible for this data.

Column C: Sales Rank

Sales rank for the month for that location.

Column D: Establishment Name

Location name.

Column D: Address

Address for the location.

Column E: City

City for the location.
